*FOOD Delivery*

*FuelConsumptionCalc pure JS*

*Pulse - landing page website*

*UBER Partners -landing page (no JS)*

*Slider - carousel on pure JS*

*Template for website get data JSON*

### ABOUT ME

I graduated from KhNURE and received a master's degree with honors. Always interested in technology and programming.

I decided to develop an online store for myself and began to be interested in web development and I liked it. I decided to radically change direction of my work. I devote all my free time to the process of learning and improving skills. Every day - new knowledge - this is the way to success
